Questions to consider

Please note that any questions you have are good questions and you are encouraged to take them to your child's teacher.

- There may be other educators I want to check in with. Will you help me facilitate those connections?
- Will you provide me with contact info for the other educators working with my child?
- How can I assist my student during distance learning?
- What information can I provide you to help you better monitor progress?
- When can we talk to check in? Let's set up a day and time each week.

- Do you have any resources for activities I can do with my child to support their learning and working on IEP goals?
- I'm feeling overwhelmed or frustrated. Can we talk and make a plan?
- Can I contact you with a question if I don't understand an assignment?
