inspire connect & innovate  
for students with disabilities

**SIL SUMMIT**  
**Celebrating Improvement Efforts Across California!**  
Join us in beautiful Monterey, California on October 25-26, 2022

The System Improvement Leads team will lead an educational summit celebrating California's improvements in special education.

## INSPIRE

### The Launch of Year 2! Networked Improvement Community (NIC)

The System Improvement Leads (SIL) project has set out to harness the improvement science capacity built across the state over the last two years and launched a networked improvement community aimed at responding to the call to accelerate learning for students with disabilities. [Read More...](#)

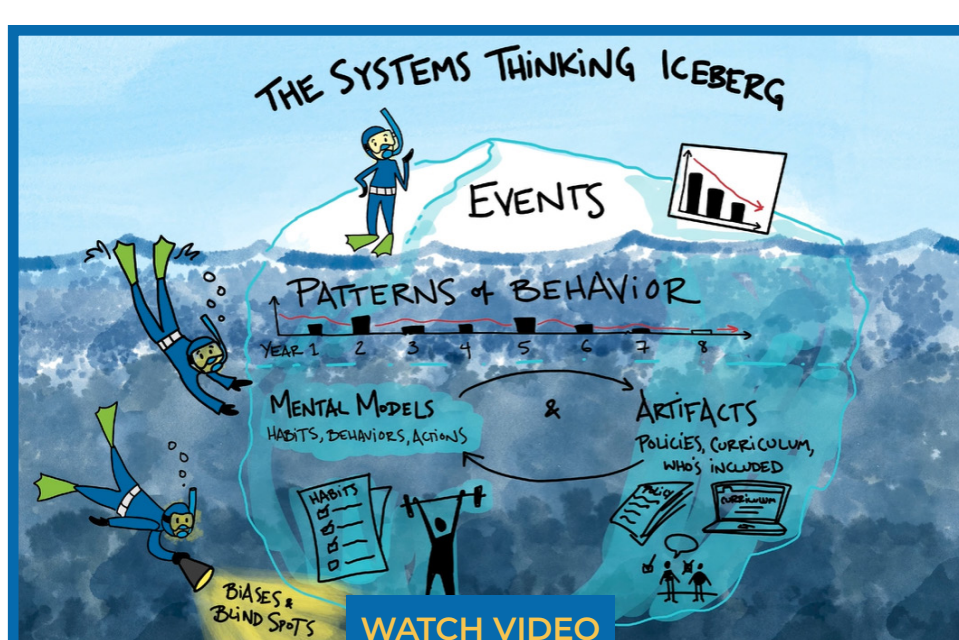

### Meet the Improvement Science Basics (ISB) Fall 2022 Cohort!

The fall cohort consists of teams from Butte County SELPA, Chico USD, Grossmont USD, Nevada County Superintendent of Schools, San Luis Obispo County SELPA, Desert Mountain SELPA, Romoland Elementary School District, Green Dot Public Schools, and Cambrian School District. [Read More...](#)

### Inspiring Connection Watch the Systems Thinking Iceberg Video Created for Educators

As we continue to strive toward improvement for all learners, the Systems Thinking Iceberg is a tool that can help our improvement efforts, by understanding systems thinking. [Read More...](#)

## INNOVATE

### CIM Support SIL's Support in Shifting From Compliance to Improvement

The California Department of Education's monitoring framework uses a tiered system that differentiates the level of monitoring and technical assistance support for each local educational agency (LEA) based on data analyses and LEA needs. At the core of the monitoring framework, is the Compliance and Improvement Monitoring (CIM) process. [Read More...](#)

## CONNECT

### SIL Resources and Tools Highlight

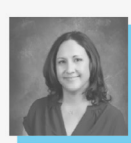

The goal of the System Improvement Leads Project is to provide SELPAs and LEAs throughout the state of California with the resources and tools in an effort to build the capacity for ALL students. SIL serves as connectors, capacity builders, and facilitators within the Statewide System of Support.

Our resources assist with improving the quality of data governance and use, building a culture and understanding of continuous improvement, and implementing high-leverage and evidence-based practices for improving outcomes for students with disabilities. [Read More...](#)
