Consultation

SIL Improvement Facilitators provide coaching and guidance as you navigate through the Data Tools in the Improvement Data Center (IDC) with your organization's team. Contact us at info@systemimprovement.org for more information.

IDC Data Tools Dashboard Training Opportunities for LEAs identified for CIM

Presented by

System Improvement Leads (SIL)

Has your LEA been identified for CIM and need to complete the IDC Data Drilldown Center as part of Step 1? The SIL team can support you and your team through the process with resources and direct support. See below for a continuum of opportunities.
