Annual Performance Report (APR)

What is the APR?

The Annual Performance Report (APR) is prepared by the California Department of Education (CDE) each year to report progress on annual targets set in the State Performance Plan (SPP). Based on the data collected, CDE prepares two reports: a state-level APR that is provided to the Office of Special Education Programs (OSEP) and a local-level APR provided to Local Educational Agencies (LEA).

The CDE uses an aligned APR process to measure the outcomes and compliance of each individual LEA within the state using 14 of the SPP indicators (as shown below). In addition to determining compliance status, the reports provide information that can be used by school leaders to examine programs and focus efforts in areas of needed improvement.

SPP Compliance Indicators	SPP Performance Indicators
4b: Discipline Rate by Race/Ethnicity 9: Disproportionate Representation 10: Disproportionate Representation by Disability 11: Child Find 12: Early Childhood Transition 13: Secondary Transition	1: Graduation Rate 2: Dropout Rate 3: Statewide Assessment 4a: Discipline Rate: Overall 5: Education Environments 6: Preschool Least Restrictive Environment 7: Preschool Outcomes 8: Parent Involvement 14: Post-School Outcomes 15: Resolutions Sessions ² 16: Mediation ² 17: State Systemic Improvement Plan ²

Understanding the APR

No.	Indicator	Rate	Target	Target Met?
1	4 Year Cohort Graduation Rate	74.9%	>90.0%	No
2	Dropout Rate	2.2%	≤9.72%	Yes

Indicator: Indicators are measures determined by the Office of Special Education Programs (OSEP) and are related to either IDEA compliance or student performance.

Rate: How the LEA performed on the indicator.

Target: Measurable state target for the given year.

Target Met: A “Yes” denotes the district met the target and a “No” denotes the target was not met.

Purpose of the APR

- To support school leaders in analyzing the wide range of valuable data provided within the local-level APR in order to improve the quality of education for all students, with an emphasis on students with disabilities.
- To determine compliance status- if targets are not met, an LEA may be required to take part in monitoring activities.
